FOREWORD

We, the members of the staff, present the 1936 Cantonian with the sincere hope that all the pictures, events and achievements of the year have been included and that you will derive great pleasure from it when you are fondly recalling memories of your high school days.

DEDICATION

To the members of the Board of Education, who have given unsparingly of their time and talent, and whose efforts have proved of great value to the entire school system, we, the class of 1936, gratefully dedicate this, the twenty-fourth volume of the Cantonian.

Alma Mater

The Roman horde would point with pride
To dear old Ceres dome,
And in Latin phrase and Latin tongue
Would proudly call it home.
In later years the English grads would sing of Eton's fame,
And in talks of Alma Maters
Would loudly speak her name.

The Alma Maters of this land are numerous—not few.
There's Harvard, Yale, and Princeton, along with old Purdue;
But the Alma Mater of the world, from lovely earth to sky,
Is the one I love, the one you love,
It's grand Old Canton High.

Fight Song

Fight for old Canton High—
Fight for the dear old gold.
For you we'll do or die
As in the days of old.
Fight! Fight! Fight!
Our te ms are always best,
Loyal, and ever true.
Victory for C. H. S.!
We'll fight for you.

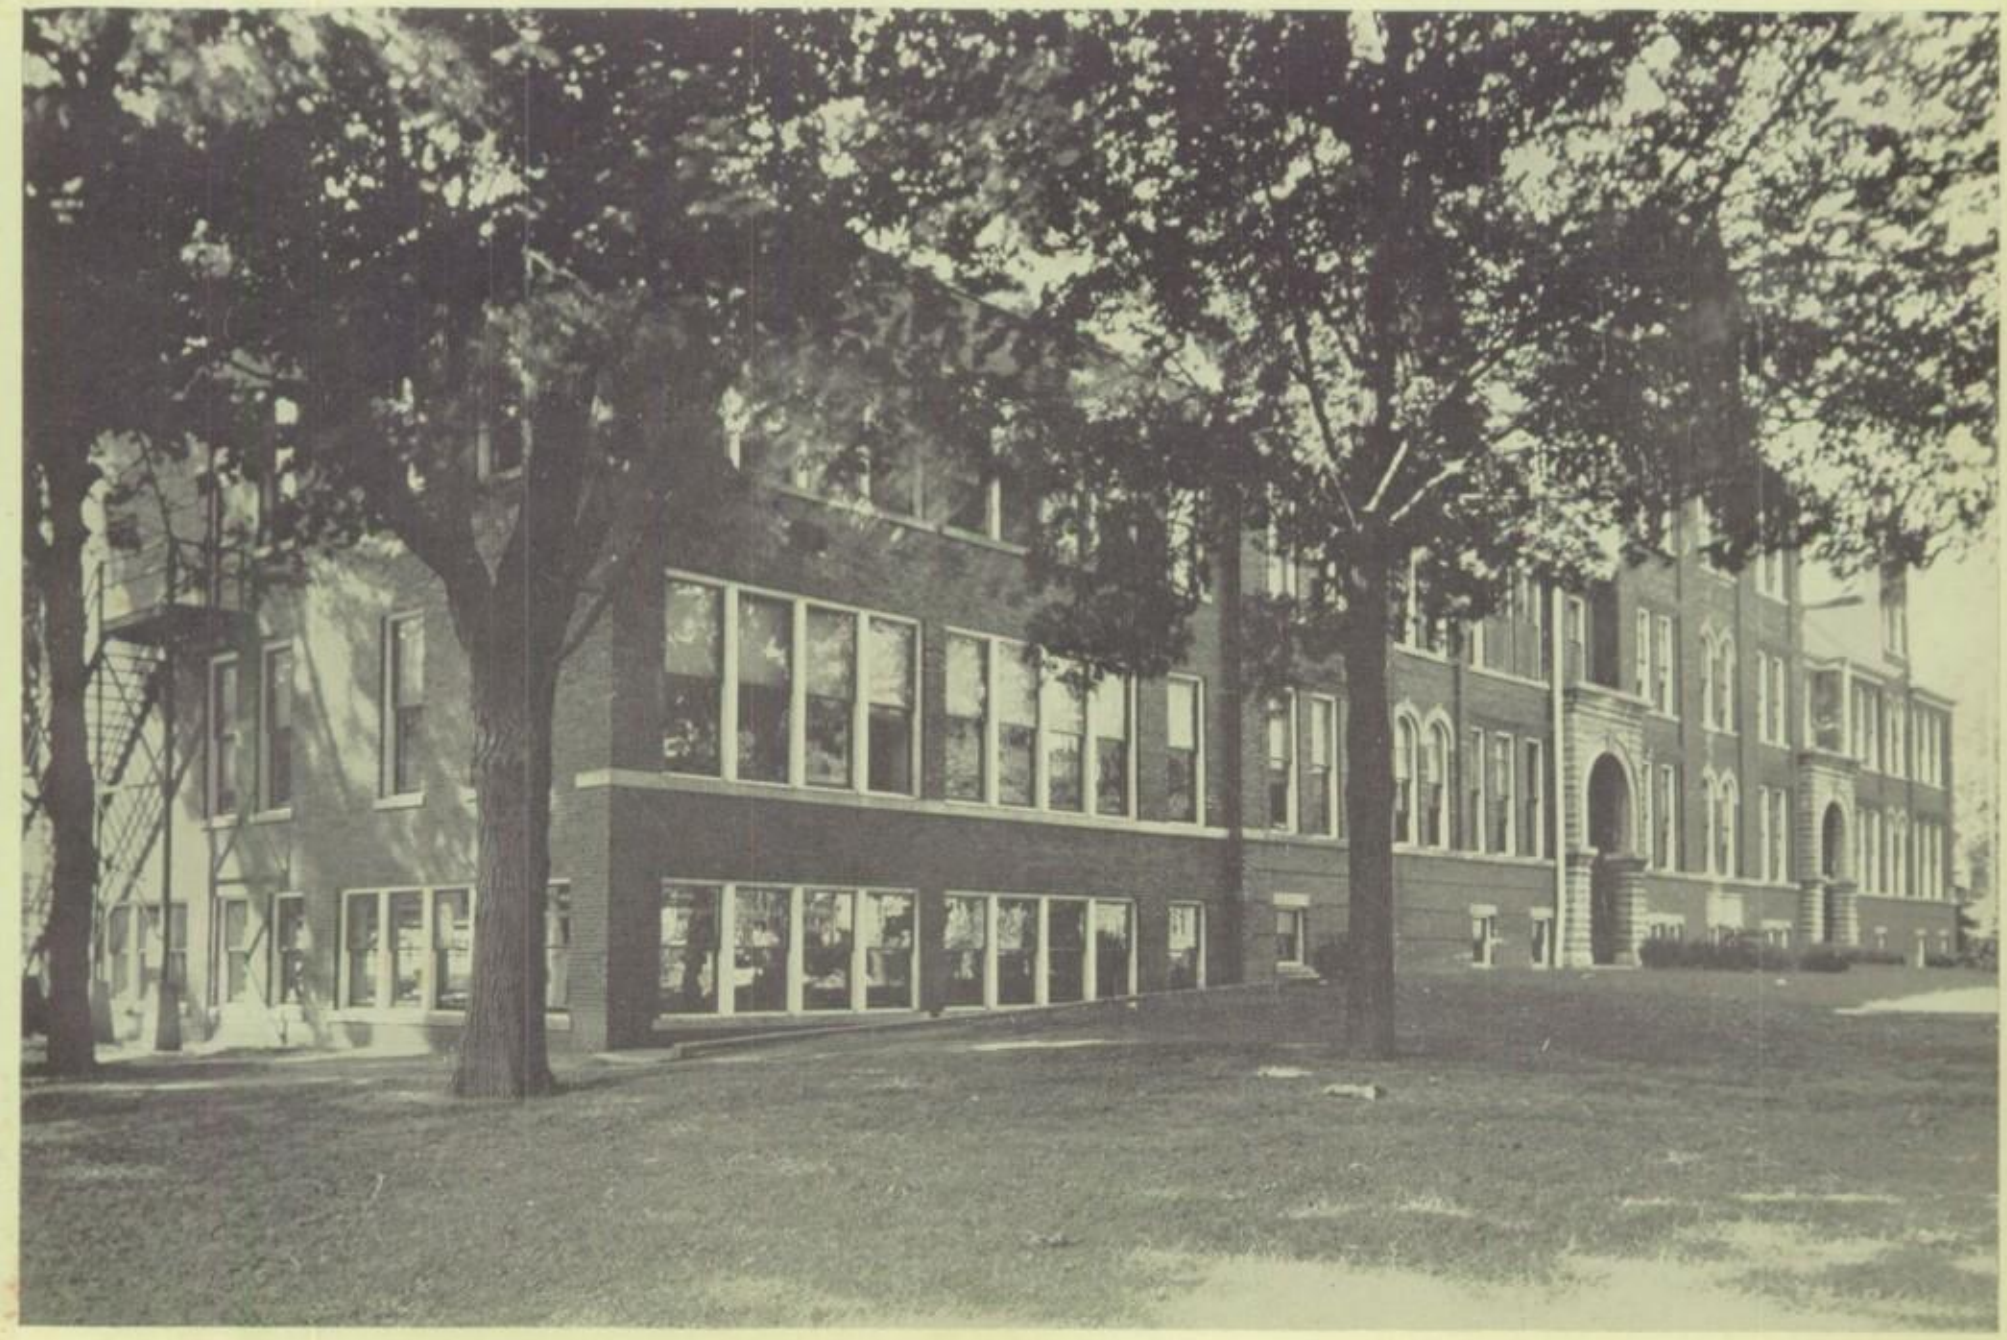
ADMINISTRATION

Canton High School

From the beginning of her earliest settlement, Canton has had good schools, but not until 1834 was there a building erected expressly for school purposes.

In 1836 aspiration ran high in school matters and what was known as Canton College was founded. This building was located on the grounds which are now occupied by the International Harvester Company, and it served the purpose until 1843 when it was razed by a tornado.

In June, 1860, the cornerstone for the first High School building was laid and it was replaced by the present structure, ready for occupancy on April 1, 1904. This building was adequate in size, at that time, to accommodate the 400 students, and it was equipped with a fine laboratory, library, gym, and twenty recitation rooms. However, many improvements and additions have been made since that time in order to take care of the larger number of students. The south wing was built in 1929, and only last year many improvements were made, including an entire new lighting system, redecoration, and additional stairways. So now, as always, Canton ranks high among the secondary schools of Illinois.



BEN KIETZMAN

Superintendent

School is life,—life as Youth should live it. Your school has concerned itself with the development of the individuality of each student. Your progress from this point on is to be determined, more than ever, on the integrity of the individual.

Be courageous—as you are facing a world which demands a great deal of courage, initiative, and efficiency.

In all of life some activities are more worthwhile than others. The discerning person will hold fast to that which is good and lasting.

My sincere wishes go with you.

BEN KIETZMAN.

To the Class of 1936:

Your high school career began four years ago. Today that career has ended. The Canton High School will miss you as one of its valuable members. No longer will we see you charge down the gridiron for a touchdown. No longer will we follow your play on the basketball court. No longer can we enjoy the loyal cheer you have given your school. No more can we applaud you on the stage. On the platform your speeches are ended. Your classroom work is completed. We will miss you in the Senior Halls. Your cooperation in making the Canton High School one of which we are proud is appreciated.

The members of the faculty are proud of the class of 1936. We will ever be with you as you leave us.

1. I'll wager the "plane" in Plane Geometry isn't very "plain" to everyone in this class. (I speak from experience).

2. One of the "bugology" classes. (Couldn't help that one).

3. For once these studes appear to be studying in ye aulde "la salle d'étude" (assembly hall to you).

4. Looks like a written lesson. Oh well, its good for these freshies—Algebra.

5. Some of our erstwhile physicists (some word) at work (?).

6. Another shot of the "Fizziks Klass" (Do I slay me!).

7. Probably the best name for this is "Silence!" (unless you like detention).

8. More future Einsteins (?). Plane Geometry Class.

Now That We're Upperclassmen

On some authority or other, it is conceded that as we grow in age, we grow in wisdom. It is on the presumption of such a statement, I suppose, that upperclassmen are considered superior to underclassmen—a common fallacy.

During a morning recently a Freshman respectfully approached me with a paper obscured with undecipherable algebraic symbols, and with that humbly trusting look born of unshaken confidence in a world of superiors, asked my help

in solving a pair of simultaneous equations. I looked at the figure-covered sheet. I looked at the Freshman. Then I fled. But a relentless fate pursued me, and the next period another Freshman, struggling with a grammar lesson, asked me to give her an example of an adjective substantive clause. Just toss off an adjective substantive clause like that! After furtively thumbing through the grammar appendix, and reading a meaningless paragraph on clauses, in desperation I had to admit my ignorance. Wide saucerlike eyes opened. "You—don't *know?*"

No, I didn't know. Just a failure, that's all I am, not even able to preserve the proverbial dignity of a Junior before some mere Freshmen.

But by the time we who are Juniors had reached the upperclassman status, we had begun to realize that the main objective in schooling is to gain an education. The most important benefits of a high school education are not an exact knowledge of the subjects pursued; but rather, a general and comprehensive understanding of these subjects, the ability to study, to concentrate, and to think. Thus education is a means toward an end rather than an end in itself.

Class of '38

Listen my children and I shall relate Tales of the class of '38:

In September, 1934, about two hundred talented amateurs (better known as green little freshies) poured into station C. H. S. and astonished all with their remarkable ability. It was only occasionally that we "got the gong" because of some blunder. And although the upperclassmen took great delight in ridiculing us, we soon proved that we were indeed an unusual class. Our applications were of a wide variety and we won distinction in all fields.

A surprising number of boys took a very active part in sports. During the football season, R. Stockton, D. Smith, Roy, Ray, and Rus Sprague, L. Butkovich,

and R. Ferro were familiar figures on the gridiron. Later, when all interest was centered on basketball, our athletes turned their attention to the hardwood, and Coach Anderson said, "All right, all right." In the spring of the year, several Freshmen went out for track, while Rod Maguire brought honor to our class as a tennis star.

The Freshman Pennant was our first opportunity to show our ability in literary work. With Ed McBoon as editor we issued a paper worthy of its green hue.

We are justly proud of our musicians. Several of these, as valuable members of the band and orchestra were seen making "the music go 'round and 'round." Blanche Ellen Yocum, one of our vocalists, represented Canton High School in the county contest at Lewistown.

Besides being outstanding in sports, literary, and musical affairs, we possessed

First Row—Clarice Engle, Hilda Jane Emry, Elaine Gavenda, Arlene Feldner, Mildred Graves, Mary Louise Evans, Rose Franciskovich, Ollidean Grigsby, Evangeline Grubisich.
Second Row—Lawrence Grubisich, Ralph Goudy, Evelyn Fuller, Dwayne Fairburn, Mabel Griffith, Virginia Fidler, Barbara Emans.

our share of intelligence. The honor roll, on which appeared the names of a large per cent of our class, furnished proof for this statement.

When the busy year was over, and we amateurs had enjoyed our three months vacation, we returned, but after the experience we had gained in our Freshman year, we could no longer be termed amateurs.

The boys who had distinguished themselves in athletics again appeared in football and basketball. Ottis Lewis established himself as an able basketball player, having played on the first team in his Sophomore year. Donald Meece and Cecile Fenwick, two of the four cheer leaders, filled their positions well.

At Miss Wilson's request for those interested in Glee Club work, our musical

Sophomores flocked up to the music room, and several of these were chosen for the special glee club which will represent us at the county meet.

Our class has also been outstanding in dramatics. Nine Sophomores were in the preliminaries of the declamation contest, three of them placing. B. E. Yocum took third place in dramatic declamations; H. Utzinger, second place, and I. Tolle, third place in humorous declamations.

We have been well represented both years in G. A. A., G. R., and Hi-Y, some of our class being officers in these organizations.

Don't fail to tune in on station C. H. S. during the next two years to learn about the future activities of this promising class.

To the Underclassmen from a Senior

Till graduation, the time appears
To your youthful eye
Just a dull parade of years
So slowly passing by!

The goal seems very far away,
Drab are the days between;
You probably are envying us
And think our lot is keen.

To tell the truth we're very sad
That our High School days are o'er,
And our advice to you would be,
Work hard, but enjoy yours more.

Make the most of your presence here,
For the time will soon have passed,
And then, as we, you'll be wondering why
Your school days moved so fast.

Reminiscences of the Freshmen

In this history of our Freshman class, we shall try to bring to you some of the ways in which we began our first year of high school.

First, we would like to say that the two hundred and ninety Freshmen who entered Canton High School on September third, 1935, had the distinction of doing so with a new Superintendent, Mr. Ben Keitzman, and new principal, Mr. Oliver Rapp. There were also several other new faculty members.

And say, didn't we get to start in a building almost as good as new? The school had been redecorated and many new floors had been laid. Our first week was spent in gazing about, usually with our mouths wide open, either at the faculty or at the building itself, which looked so big to us, and in jumping over paint cans, walking

under ladders and becoming entangled in the canvas on the floors. It was rather confusing, to try and study with two new stairways being built, but when they were completed, we were pleased with the result and forgot about our earlier annoyance.

The Freshman class of '36 is full of possibilities which we hope will develop to their fullest extent during the coming three years. Take, for instance, those athletes who went out for football: D. Lee, E. Motsinger, R. Reeve, J. Essex, A. Scott, D. Smith, B. Jackson, O. Stanko, M. Culton, and J. Conklin. Then when the basketball season got into full swing, the following boys in our class made a fine showing: M. Bordner, E. Fuller, D. Camper, J. Essex, D. Lee, R. Ferro, J. Walton, F. Conklin, F. Tomlianovich, H. Whitaker, and E. Motsinger. We also believe we have some future cheer leaders in L. R. Moore and W. O. Bryant.

Members of our class have identified themselves with other organizations of the

school, namely: A. Herink, B. Barclay, G. Caldwell, M. Frakes, B. Siders, and F. Ethridge in the band; H. Johnson, H. Shaw, and J. Watt in the orchestra. Many Freshmen have also entered the Glee Club, Hi-Y, G. A. A. and Girl Reserves.

On March 17, the annual music contest was held and our class was represented in this event by these students: A. Morotti, H. M. Thomas, C. Shumaker, vocal; P. Geiger, piano; and J. Watt, violin. M. Mummert gave her own original oration in the declamatory contest held earlier in the season.

Among our outstanding students, is B. O'Brien who collects autographs. He has signatures from many famous people, including celebrities in this country and in Europe.

Surely, with our fine faculty and new equipment with which to work, there is no reason why our class shall not succeed in the three years ahead of us.

A. L. M. A.

The A. L. M. A. was organized several years ago for the purpose of sponsoring all athletic, literary and musical events. This organization is not only the oldest of Canton High, but it is one of the most active and has a larger membership than any other organization. Athletics has always been favored here in C. H. S., but if it hadn't been for the A. L. M. A. the enthusiasm and spirit of the students toward literary and musical work would have soon died out.

Membership in this organization is open to all grade school children as well as those in Canton High School. The price of the A. L. M. A. tickets this year was $1.50 for the entire season. This entitled one to see all the basketball and football games played here at Canton. The tickets also admitted students to the Music Contest that was held at the high school.

Each year the A. L. M. A. purchases the equipment necessary for football, basketball, literary, and musical events. This year the association purchased new basketball uniforms for the boys. The fees of the football and basketball officials were paid through this organization. Also a large debt which had been carried over from the previous year was paid. Altogether this organization has had a very successful year.

Girls' Athletic Association

President ..... Jean Clark
Vice-President ..... Clarice Toncray
Secretary ..... Elaine Gavenda
Treasurer ..... Thirza Jenkins
Adviser ..... Miss Terrill

The Girls' Athletic Association is one of the most active organizations for High School girls. The purpose of this organization is to give every girl a chance to take part in both indoor and outdoor sports. It is based on a point basis, starting with 100 which is required before any girl may become a member. In order to secure awards, she must have 600 points for a small "C", 1,200 points for a large "C", 1,600 points for an "I", and 2,000 points before she receives her final and highest award, the map of Illinois with the G. A. A. symbol in the center.

This is a state society and the local chapter, consisting of 120 members is under the excellent leadership of Miss Terrill. Points are awarded for the following activities: volleyball, basketball, swimming, skating, and other activities, hygiene, and achievement tests. The sports are conducted in eight week periods and a captain, elected by the girls, is at the head of each.

One of the outstanding events and accomplishments of the G. A. A. was the May Fete given last year, the theme of which was "The Court of Time". Those present were delightfully entertained by stunts, drills, and dances symbolic of different countries.

Camp was an added attraction to members this year. In September, a group of members motored to Deppler's Springs, where they spent two days of regular camp life. All kinds of sports, stunts, and games were enjoyed there, as well as a campfire meeting.

Other outstanding social events given during the year were two very successful dances, a play day, and a mock and formal initiation. During the mock initiation the girls were put under one month's probation over Christmas vacation. The formal initiation was held in the spring, at which time twenty-six new members were added.

* * * * * *

Girls, like boys, are interested in earning their own awards in athletics but since the possibilities for interscholastic competition is limited the G. A. A. meets a great need. Any girl interested may become a member by earning the required number of points and having a good scholastic record. Awards are given for participation in several sports and special ability is not necessary thus interesting all girls in all forms of athletics. The G. A. A. is a growing organization because it strives to maintain high standards and promote ideals of health and sportsmanship as well as to stimulate interest in athletics among all girls of the Canton High School.

Quill and Scroll

President ..... Thirza Jenkins
Vice-President ..... Jean Clark
Secretary ..... Frances Belle Hutton
Treasurer ..... Louise Deutch
Faculty Adviser ..... Lillian Johnson

The purpose of Quill and Scroll is to instill in students the ideal of scholarship; to advance the standards of the profession of journalism by developing the better journalists and by inculcating a higher code of ethics; to promote exact and dispassionate thinking, clear and forceful writing.

Quill and Scroll, which was organized in 1926 by a group of high school supervisors, has grown until today it includes over 900 chapters located in nearly every state of the Union, in England, Canada, British Honduras, Hawaii, Alaska, Philippine Islands, and China. The society has the support of America's oustanding journalists and educators.

The aim of the organization has remained unchanged—the rewarding and encouraging of individual achievement in journalism and allied fields—business and art for newspapers, annuals, and magazines.

The motto of the society is "Ye shall know the truth and the truth shall make ye free."

The international pin worn by these members is a gold Scroll with a Quill diagonally across it.

Honorary faculty members are Miss Johnson, Miss Elliott, Miss Cox, and Mr. Felts.

This year we began our organization with seven old members and were fortunate in being able to receive into our group ten new members. This made our total membership for the year, seventeen active members besides advisers. There are three classes of membership in Quill and Scroll: active, faculty, and honorary. These new members were initiated in a very impressive ceremony which was held at the home of Margaret Ann Simmons. The initiation services were followed by a lovely tea.

Other social events this year were some delightful picnics and some grand parties which were thoroughly enjoyed by all of the members. The members of Vachel Lindsay Chapter of Quill and Scroll, international honorary journalism society are:

In 1908, a "Visitor" arrived at Canton High School and because of its hearty welcome has remained with us for the past twenty-eight years. This, Canton High's first school paper, was printed by its originator, Mr. C. E. White, and his printing classes which met in the present manual training room. After the third issue, the faculty met and at the suggestion of Miss Blanche Hollandsworth voted that the "Visitor" be changed to "The Pennant".

Mrs. Charles Knott, the former Miss Leah Saunders, had the honor of being the first editor of "The Pennant" which at that time was half the size of our present paper and had two columns instead of three. In 1924, Canton High was blessed with a new printing press and The Pennant Staff, evidently inspired, put out a six-page paper and with our present Pennant's dimensions.

The first paper, the "Visitor", was written by Mr. King's English classes and since has been compiled by various Journalism classes, and today by those Juniors and Seniors who are interested, and have proven themselves capable.

Though "The Pennant" has been under many critics, it is Miss Elliott, our present critic, who has had the task most often and who, with Mr. King, the printing instructor, has spent a great deal of time in seeing that "The Pennant" maintains its existence. The 1935-36 Pennant Staff sincerely thanks them.

Le Cercle Francais

"Noblesse Oblige"

Monsieur le président.....Arthur Stitzel
La vice-présidente ..... Ruth Ortman
La secrétaire ..... Nadine Bassler
Le trésorier .....Lowell Stumpf

Adviser.....Miss Conklin

Le Cercle Français was organized early in November under the supervision of the French instructor, Miss Conklin. There are thirty-one members enrolled, and this large membership has added much interest and zest to the club's activities.

The members helped "le bonhomme Noel" by reconditioning toys for the young folk. This activity was a source of interest for the club during the pre-Christmas season. The final meeting before "les vacances de Noel" was a party given by Miss Conklin. Candles lighted the darkened room, bringing out more beautifully the bright Christmas decorations. Les "cornets de bonbons" were hugely enjoyed. Noels furnished music for the party.

Le Cercle Français members are:

N. Bassler	L. Henderson	R. Ortman
J. Clark	V. Holmberg	F. Richardson
B. Coleman	T. Jenkins	E. Rorer
G. Costas	E. Johnson	M. A. Simmons
J. Culver	H. Juricic	D. Stevens
L. Deutch	D. Mason	A. Stitzel
H. Ellis	L. Meier	L. Stumpf
V. M. Ford	M. Morrell	K. Pickett
R. Hagbom	A. Moorhouse	G. Wilcoxen
W. Hagaman	J. Mosher	S. Williams
H. Hand	A. Moss	E. Taylor

During the remainder of the year, Le Cercle Français plans to study and discuss much of the new material which Miss Conklin brought back from her recent trip to France. Some time will be devoted to studying French menus. As we write this article, a French dinner-dance is being considered.

Future Farmers

The achievements of the Canton chapter of the Future Farmers of America during the past school year shows that this club is one of the most active and successful in school. A judging team won both the Illinois and national contests in meat identification. The Sixth Annual Grain and Poultry Show was a great success. The club has a membership of over sixty, the third largest chapter in the state. The annual Father and Son Banquet was the event of the year for many.

First of all, let us say something about the chapter itself. The F. F. A. is a national society with membership open to all high school boys taking a course in agriculture. Each member must carry on some home project, such as raising animals or crops. There are four grades of membership based on achievement: Green Hand, Future Farmer, State Farmer, and American Farmer. The insignia of the organization is made up of four symbols which are as follows: The cross section of an ear of corn, representing common agricultural interests; the owl, representing wisdom; the plow, representing the tillage of the soil; the rising sun, representing progress.

Other activities for the year included Sectional and State judging contests in corn, poultry, grain, livestock, and dairy cattle. There were also basketball and kittenball teams.

The meat judging team brought Canton High its first national championship of any kind. The members of the team are Leonard Nelson, Nelson Moore and Donald McFall. These boys, with the help of their instructor, Mr. Stitzel, learned to recognize the various cuts of meat, numbering over one hundred in all. In the State contest, competing against fifty other schools, the Canton boys won with the highest score ever made in the State meat judging contests. Then Mr. Stitzel and the team went to Kansas City where they won the national contest, in competition with twenty-four other state champs. And they really brought home the "bacon", in the form of prize money and ribbons for each boy, and a beautiful cup for our trophy case.

We all join in wishing the Future Farmers good luck and even more success in the future.

Girl Reserves

Be Square

President ..... Louise Deutch
Vice-President ..... Charlotte Carver
Secretary ..... June Morgan
Treasurer ..... June Bennett

The Girl Reserves is an organization of the Y. W. C. A. for High School girls. This group meets every other Thursday for a dinner followed by a business or social meeting and a program. One of the interesting features of every meeting is the discussion of current topics.

The first meeting was in the form of a Big Sister Party. The object of this party was to get the Freshman girls acquainted with the older members.

In February, a mock and formal initiation was held for the new members. At this time, 40 new members were taken in, bringing the total number of members up to 80.

The programs planned by the program committee were in the form of an Airplane Flight. Each meeting represented a different part, such as the take-off, smooth flying, the landing, etc.

The outstanding event of the year was the Leap Year Dance given February 29 at the Y. Everything was carried out in true Leap Year theme. A very interesting program was given.

A masquerade party was enjoyed in October. This meeting was carried out in individual style as each girl had a distinct part in the program.

A very impressive vesper service was held during the Christmas season at the Congregational Church.

The motto, "To find and give the best", is the goal toward which each true Girl Reserve is striving.

Noon Hour

President ..... Melba Dare
Vice-President ..... Doris Lee Rauch
Secretary ..... Mary Beth McCamey
Treasurer ..... Virginia Denney

This club is a sister organization to the "Be Squares." It is especially useful and convenient for country girls or girls living a long distance and who cannot go home for dinner.

This group have a weekly meeting every Thursday noon for a luncheon. An interesting program is given after each meeting.

The two corps combine groups for dances and other parties.

An impressive ceremony was held in January when 16 new members were added to the organization, making a total membership of 36.

The Hi-Y Club is one of the most progressive groups in the school. It combines the essential education of high school with the high moral standards of the Y. M. C. A. The boys had their meetings every two weeks with a dinner held before the business session. They gave a dance on December 20 which set them back a little bit, but a good time was had by all so they didn't worry about a little thing like money.

Sociology Club

President ..... L. B. King, Jr.
Vice-President ..... Frank Freaner
Secretary ..... Martha Motsinger
Treasurer ..... Marilyn Buell

Adviser.....Miss Harrison

The main purpose of the Sociology Club is to discuss social problems and come to a better understanding of them.

This club was organized this year under the direction of Constance Harrison. The members meet every first and third Tuesday in the month at 7:30 P. M. in the High School Building.

In the fall, the club had a party at Miss Harrison's home. A good time was had by all. The club is planning for a Spring dance. The date has been set for March 27.

The members of this club are:

L. B. King, Jr.

Glee Clubs

"Girls, girls! You must watch your director. I have a nice new baton, and you haven't even noticed it!" Thus their tributes "To a Wild Rose" are interrupted, but begun again after they promise to unglue their eyes from the music. The Girls' Glee Club this year was especially well-supported with a membership of 70. The club was divided into two classes: one meeting on Mondays and Wednesdays; the other on Tuesdays and Thursdays, both at the eighth period in the music room. The accompanists were Ruby Hagbom and Georgia Lee Davis. The club officers were Louise Deutch, President; Mary Morrell, Secretary; Peggy Geiger and Clarice Toncray, Librarians.

Mondays and Wednesdays at sixth period with music floating in the air from the music room reminded us that the Boys' Glee Club was in session. They have 26 members besides their accompanist, Jean Culver. Their officers were Junior Baillie, President; Nelson Moore, Secretary; Paul Spencer. Roderick McGuire, and Clarence Phillips, Librarians.

In the autumn the Glee Club members enjoyed a marshmallow and weiner roast in the woods back of the brick yard. On December 5, they presented the operetta "Jerry of Jericho Road". They also sang selections for the Rotary Club and the Fulton County Teachers' Institute.

Glee Club work is very interesting for those who have talent for singing. It not only affords valuable training, gut it is also one of the enjoyable benefits derived from your high school education.

Orchestra

For nine years Mr. Walker has directed the instrumental department of music at Canton High School, and the ability of the orchestra has increased with his success. The orchestra is composed of a talented group of young musicians who are very ambitious and eager to represent their school at all times. The orchestra has played several times during this term. In the third week of school a short program was presented the night of "open house" when we showed the school to the public. A little later in the year the group provided interesting entertainment at the Boys' Burlesque, and at the Fulton County Teachers' Institute held at C. H. S. in February, a very attractive program was presented. The orchestra always takes part in the Commencement Exercises, thus helping close the school year very beautifully. Nine of the twenty-one members will be graduated in the spring. Margaret Ann Simmons, pianist, Frances Belle Hutton, solo violinist, Jean Culver, and Russell Sprague will be lost from the string section. William Graham, Wayne Brown, Frances Dewey, and Neil Mercer will be absent from the wind section, while Arthur Stitzel is leaving the reed instruments. To them all we say Good Luck, and much success!

Band

The school band under the direction of F. D. Walker is an organization to which every musically inclined student of C. H. S. should be proud to claim membership. The band is an appreciated asset to the football and basketball games as well as at many special performances. Among these was the participation in a band festival at Peoria, and the privilege of playing for old Santa Claus when he made a personal appearance here during the Yule season. Another innovation to be written in the annals of band history will be the story of letter formations at the basketball games. Hitherto this had been unheard of, but it afforded the fans much genuine enjoyment. The band extends sincere appreciation to Miss Helen Brodskey who has so capably served as drum major for three years. Helen will be eliminated by Commencement and we wish her, and the other senior band members, much success in the future.

Literary and Musical Contests

Canton High is to be congratulated upon her record in the musical and literary field. Last year's record was particularly outstanding.

Arthur Stitzel, our talented Senior, showed outstanding ability in his original declamation, "Pleas for Peace." He took first place honors in the local contest.

George Beam will be remembered for his literary work during all his years in high school. Last year, he represented Canton at the County Contest in Lewistown and there he got first place.

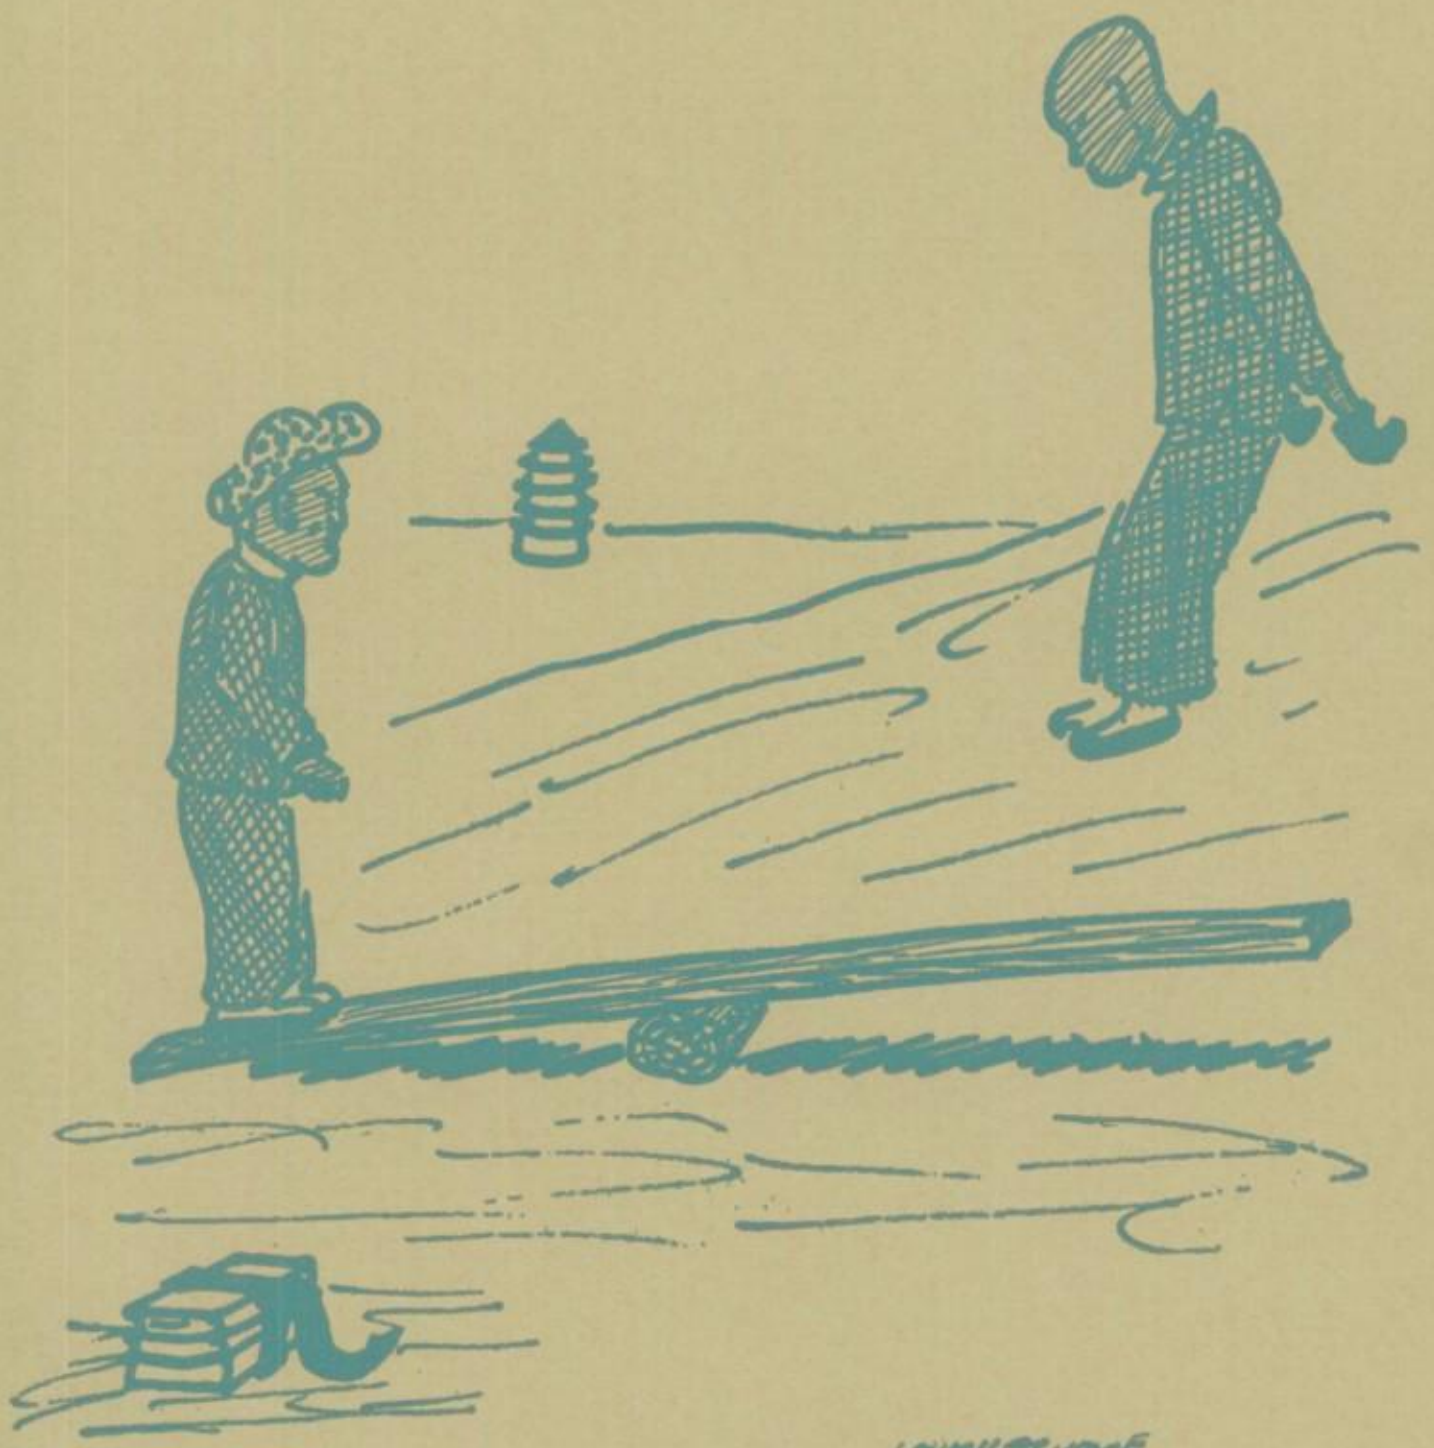
Marcella Ann Sebree entered the Girls' Declamation Contest and won first place. She went to Lewistown and got third place.

Margaret Ann Simmons, our old standby, did some good work in our local contest in piano. She carried away second place honors in Lewistown after placing first here.

Blanche Ellen Yocum, a Sophomore, represented Canton in Lewistown and got fourth place there. She was a surprise contestant but proved to be a good representative from our music department.

Bill Graham took first place at home in the Boys' Vocal, and also in the County Contest. He and George Beam are to be especially congratulated because they took first place honors in the County. However, we are proud of all of them. Congratulations!

ATHLETICS



PAUL HOLLIDAY

At the first of this last football season, the Canton fans were a little leery of the prospects of the local boys. Heretofore the teams had been under the guidance of three different coaches in as many years. Where could be found a man who could instill into the boys that fighting spirit which would bring them up to the standard of Canton superiority? Such a man was found to be Paul Holliday. From a group of boys who had very uncertain prospects, he produced a team that made history in Canton football. He also showed championship coaching throughout the entire basketball season. He proved to the athletic world that Canton was still on the map.

Mr. Holliday came to us from Peoria Manual where he established a record that is hard to be equalled anywhere in the state. His first year at Canton proved to be a continuation of this remarkable career. Our hats are off to you, Mr. Holliday. May your stay at Canton be a long and successful one. The student body is behind you to the last ditch.

WALLACE RICE

Our successful coach established his unusual career in Canton through the very able assistance of one man, the assistant coach, Wallace Rice. Mr. Rice, being a very adept athlete himself, directed the shaping of the reserve squads in both basketball and football. He proved that his training gained in college could be put to use to help produce some very able and remarkable athletes. These boys on the reserve squads are the foundation for bigger and better varsity to come. Under his able tutelage the boys made a good showing for themselves and are expected to bring laurels to Canton in the future.

MATTHEW SEPICH—"Matt" gave an unexpected performance and was one of the main cogs in the Canton football machine. "Matt" is a Senior and will be sorely missed after graduation.

LEE WAUGHTEL—"Petie" is a somewhat light man, but therefore he can run all the faster. And run, he did. "Petie" is only a Junior and a lot will be expected of him next year.

GERALD DRUMMOND—"Jerry" is an elusive man on the field and went over the line for a good many yards. Jerry wound up a very successful career as a football player this year and he will be missed.

DONALD VANCE—"Don" sustained a few broken ribs during the season but that didn't keep him down. He still piled up the largest percentage of points and that's what brings home the bacon.

THOMAS TAYLOR—"Tommy" is one of those home loving boys that takes cooking. But does that make him an effeminate football player? I should say not. He went right in there and "et" 'em up.

ROLAND BYRUM—"By" is a hard worker and really earned his position on the squad. Men like him are badly needed and his leaving will be regretted by everyone.

JOHN TADJEVIC—There always seems to be someone from St. David on the football team. But, why shouldn't there be if he can play like John? Under the handicap of a smashed-up chin, he played bang-up ball.

JUNIOR BAILLIE—Another dependable Junior. His ability to snatch those passes out of the air brought the Plowboys plenty of yardage this year. We can rely upon him for plenty of action next year.

MELVIN VANDERMEER—This is "Vandy's" last year at Canton High, a red letter year it has been too. Vandy showed four years of fight and spunk which brought the team to the fitting climax that it attained this year.

EDWARD NAYDEN—He is one of our star ends and showed a lot of fight all through the season. Only a Junior too; I know we can expect a lot from him next season.

FRANCIS VANCE—"Lardy" is forever telling of the merits of the Canton football team. He has a right to when he and the rest of the boys played like they did. He played center and did a good job of it too.

PAUL SPENCER—You need more than a fast runner to make touchdowns. You also need someone to make the holes and take out the opposition. Such a player was Paul. It takes players like him to make a good football squad.

Student Managers

There is more to a team than the players and the coach. Many people do not realize this. The student managers play a big part in the game. They have to be there at practice and be on hand all the time to lend a helping hand. We are very proud of these boys and wish to commend them on their work this season.

Ray is a senior this year and therefore will not be with us next year, but we wish him all the luck in the world.

Lawrence is a sophomore and has plenty of time yet to show us his stuff.

ROBERT SPURGIN—"Bob" was the sparkplug of the team and is without a doubt one of the coolest men that ever played on the Canton gridiron. Our hats are off to you, Bob, for the outstanding performance that you gave this year.

HARRY FULLER—Harry is one of those hard tackling boys that gets his man; especially if his man has the ball. He played a reliable game and would be a dependable asset to any team.

LESLIE BOLAND—"Les" has another year to go and if he plays next season like he played this, believe me we're going to see plenty of action.

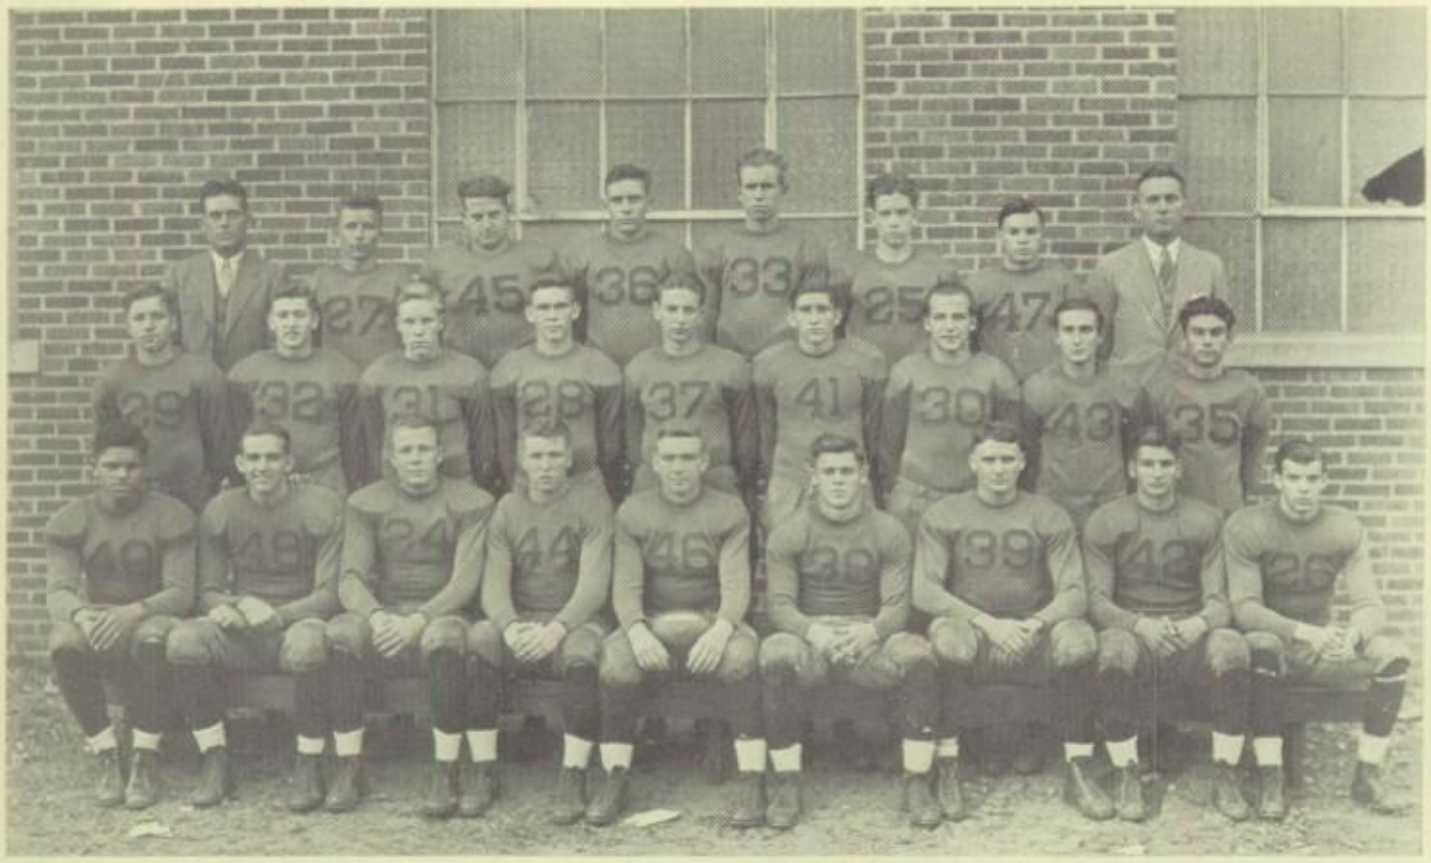
Little Cheer Leaders

Some of the finest school spirit throughout the whole student body was shown by these four little cheer leaders. Although abbreviated in stature their school spirit overran its bounds and showed itself in the way the teams played this year. They were always on hand to lend a helping hand in fair weather or foul, and have proved to the fans they are worthy of filling the positions left vacant by Jim Beam and Bob Lockard when they graduate.

Big Cheer Leaders

Jim and Bob, well known for their likable personalities, did much to keep the boys going in their fighting all the time. They were always on hand to give an encouraging word to the players. Also they showed themselves very sportsmanlike in discouraging booing under adverse conditions in the game. They learned some new yells this year and did a very good job in teaching them to the student body. Another thing these boys accomplished was to teach their trade to four young boys who will fill their shoes next year.



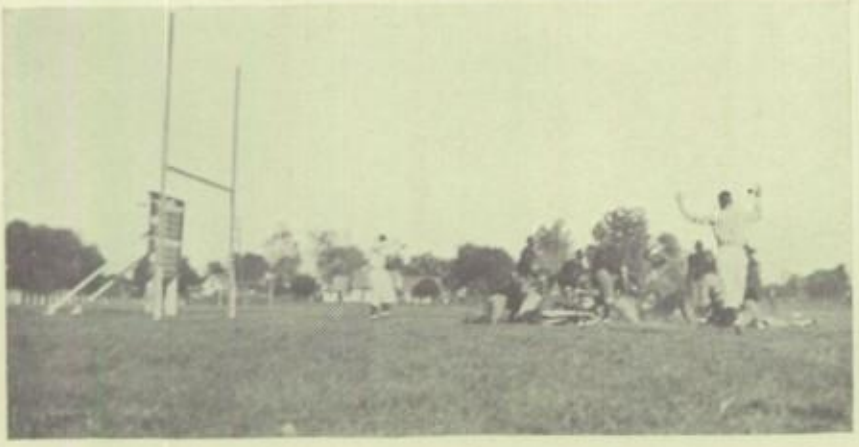
First Row—Tom Taylor, Junior Baillie, Mel Vandermeer, Harry Fuller, Francis Vance, John Tadjevic, Leslie Bolon, Edward Nayden, Paul Spencer.
Second Row—Joe Kovachevich, Roland Byrum, Gerald Drummond, Donald Vance, Carl Cardosi, Matthew Sepich, Robert Spurgin, Lee Waughtel, Delbert Smith.
Back Row—Ass't. Coach Rice, Eugene Glad, Chester Hedges, Van Bennett, John Painter, Bob Everly, Russell Sprague, Coach Holliday.

The Plowboys met Louis Becker's Havana squad on Friday night, September 20, with a team chosen from about 55 regulars. Coach Holliday had a good chance to develop a team that could take a lot and give a lot more. The lineup turned out to be somewhat the same as that of last year. Taken altogether it seemed that Canton had a fairly decent chance against Havana in the opening game.

Canton's new coach, Holliday, pulled the Cantonians through in great style during the first tilt of the season. The Purple came through with a 14-7 victory which showed they had the stuff. Canton outplayed the Havanans most of the way through the game, before a crowd of 1,500 people, many of whom were from Canton. The first score of the season was made by Don Vance of Canton. Canton made its final score in the fourth quarter, when Don Vance again went over for a touchdown. Sheridan, the spark plug of the Havana team, played a very brilliant game. At the boom of the gun the count was 14-7 in favor of Canton.

The Cantonians took Lewistown to the tune of 13-0. The Dertinger coached team only made four first downs during the whole game. The invincible Don Vance took the pigskin over for both of Canton's touchdowns. That made four touchdowns that Don Vance made in three games. The Canton fans were very much pleased at the performance of this boy during the early part of the season.

Pekin next bowed down to the Little Giants. "Frenchie" Haussler didn't think

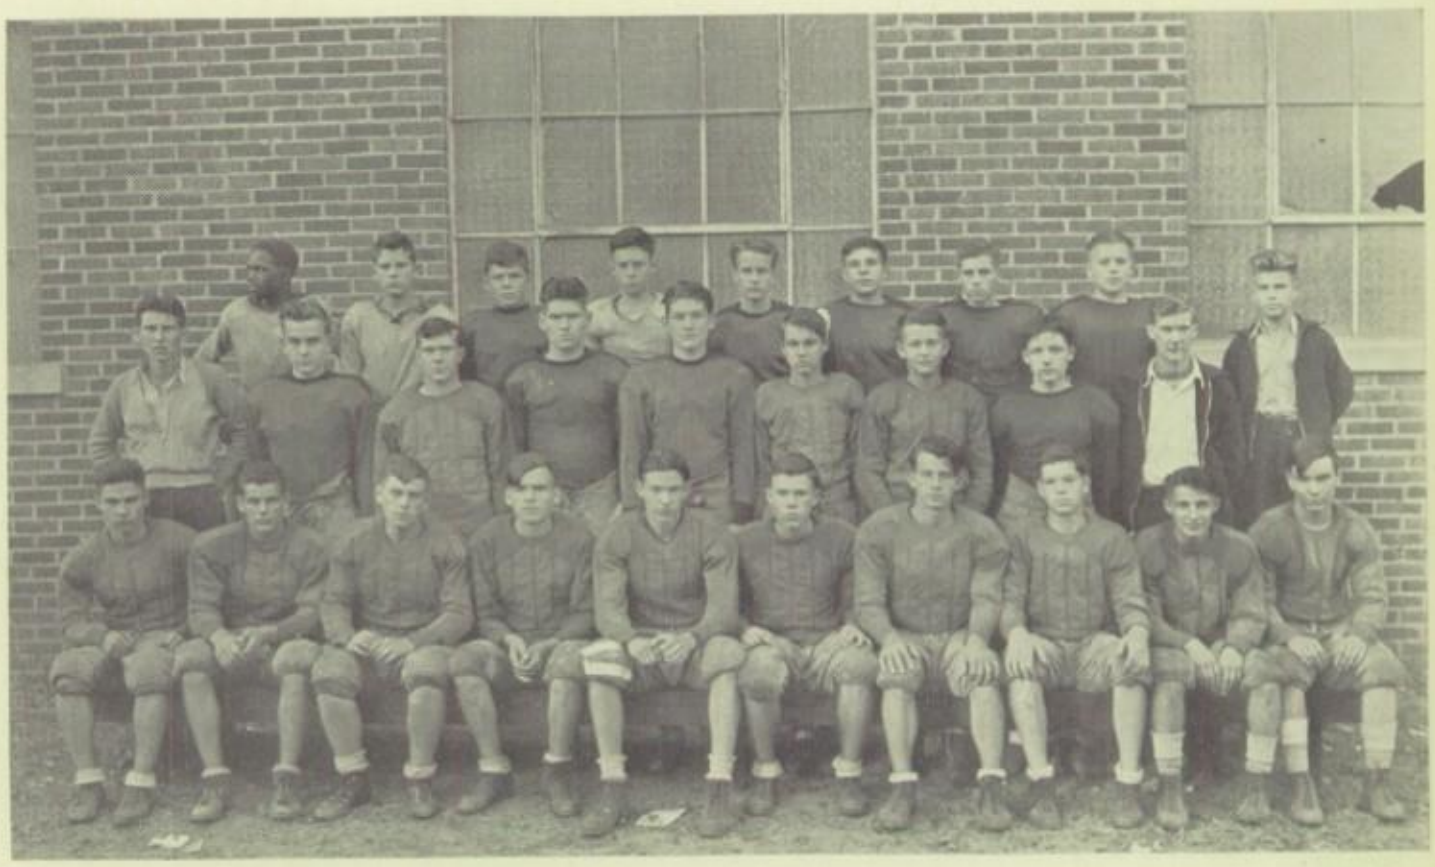


Canton could do it, but they came through regardless. Pekin, however, put up a very good fight. You can always expect something in the way of competition from Pekin. By clever maneuvering and some tricky bits of football, Canton's point getter, Don Vance, got two more touchdowns to his credit. The rest of the squad performed in first rate style and showed plenty of stuff from which good football teams are made.

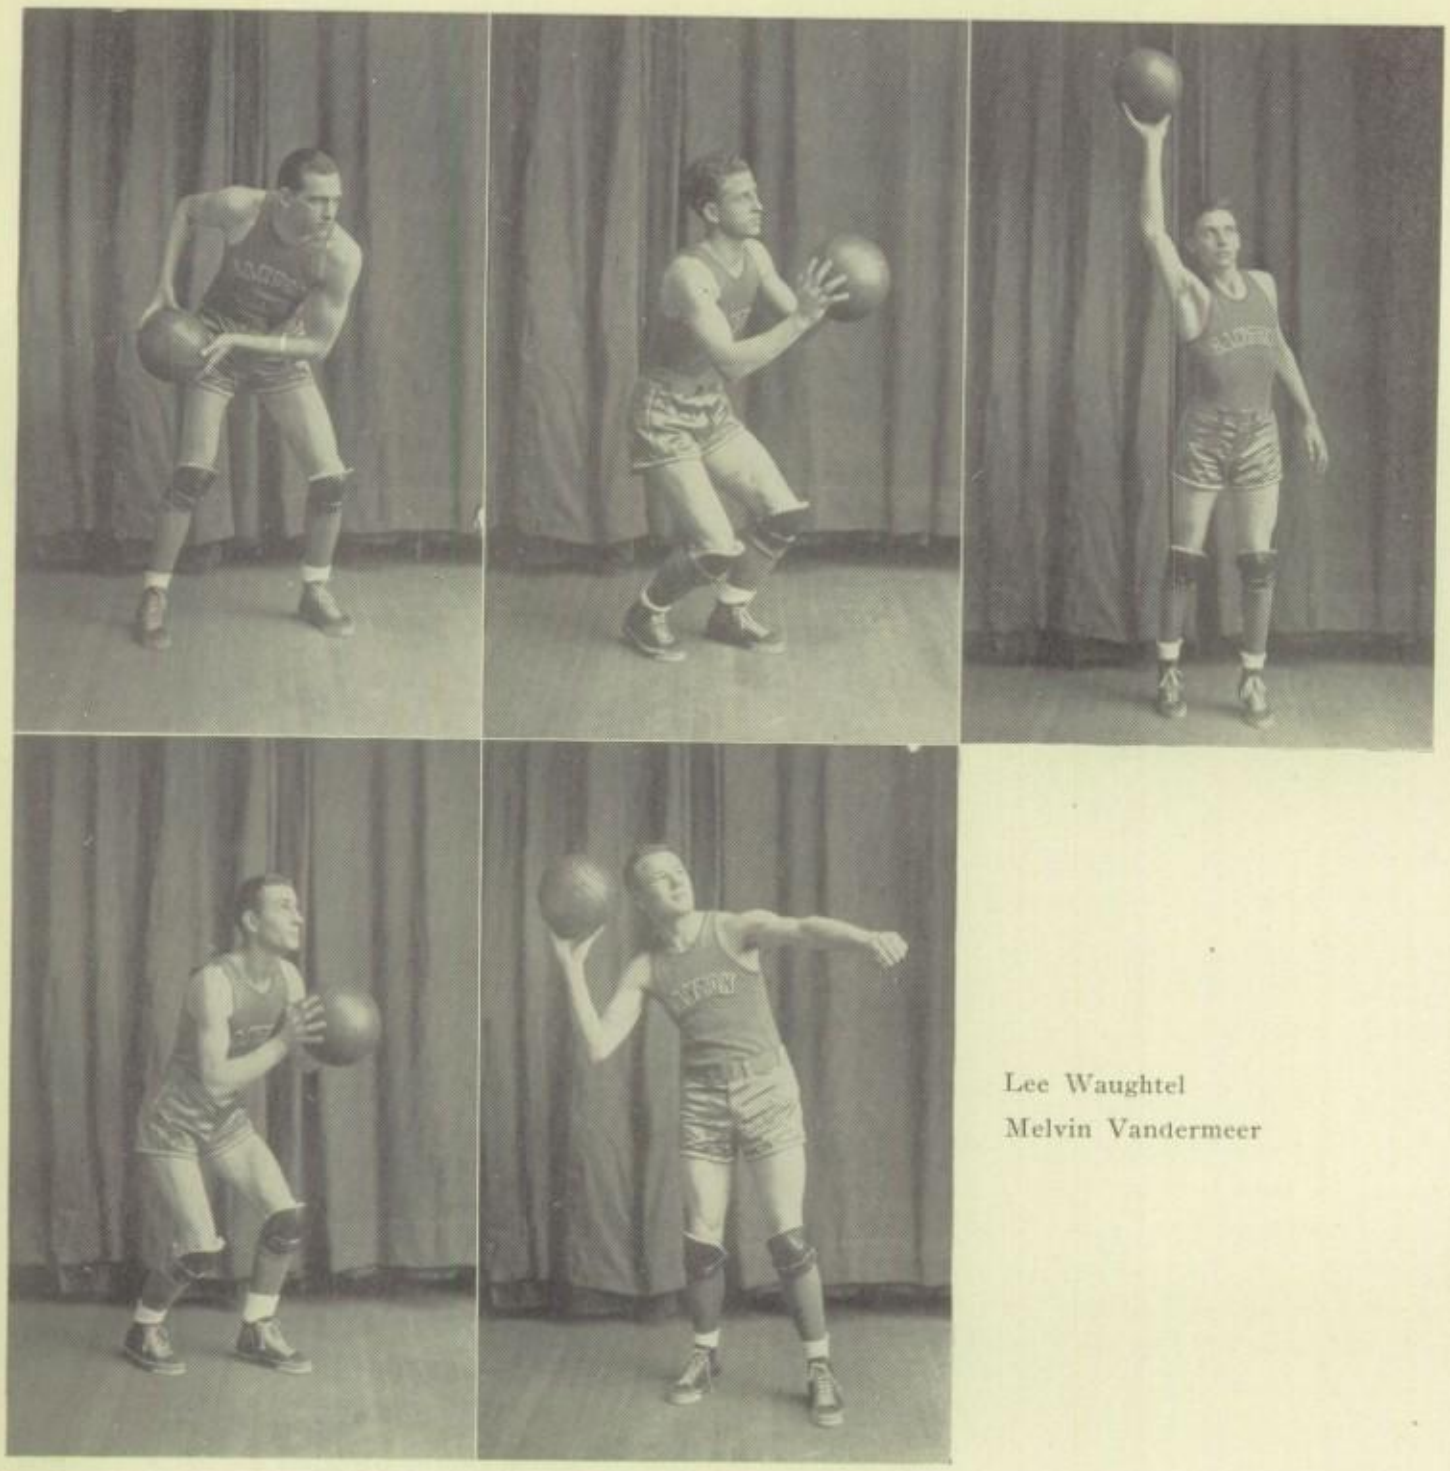
Little Giants had an easy time in 31-7 victory over the Macomb organization. Don Vance made another two touchdowns, but in doing so, fractured a rib. This was a big blow to the Canton offense. He was the high point man of the season and was sorely missed. However, there were many capable boys waiting to fill Don's shoes and Canton continued on its march to victory.

Beardstown fell before the Purple's onslaught at 19-0. The Cantonians supplied Beardstown with its first defeat of the season. They met with some stubborn opposition all through the game, but they had the edge that it takes to win a ball game. The local gridders went ahead at full speed sweeping everything before them.

The Purple was outplayed all through the game by the Mathis-men. The final count was 19-12. The Farmington gridders were one of the best teams that Canton ever played against. The Little Giants wound up the most successful season that a Canton grid team had ever known.



First Row—Robert Ballard, Darrell Tindall, Alan Saunders, Bill Bourke, Raymond Sprague, Roy Sprague, Harold Standard, James Kissack, Ralph Stockov, Gordon Lewis.
Second Row—Ray King, David Smith, Bill Jackson, Clarence Stanko, Oliver Stanko, Maurice Culton, Edwin Taylor, Francis Conklin, Robert Kaler, Lawrence Tarr.
Back Row—John Leek, Dean Lee, Ernest Motsinger, Roger Reeve, John Essex, Douglas Camper, Frank Herrink, Albert Scott.



Junior Baillie
Ottis Lewis
Van Bennett

Lee Waughtel
Melvin Vandermeer

JUNIOR BAILLIE—Junior played a very much improved game of ball over that of last year, and very much earned his place at pivot position. He is only a Junior this year and much can be expected of him next year.

OTTIS LEWIS—Ottis is another boy who is going to be with us another year and much can be expected of him because of his remarkable performances in pinches.

VAN BENNETT—Van is a boy who had some tough breaks this year, but showed up very well when the right times did come. He is a boy who can be relied upon to give all he's got next year.

LEE WAUGHTEL—"Petie" is without doubt one of the fastest men that ever played on a Canton team. He was in there fighting every minute of the time.

MELVIN VANDERMEER—This was "Mel's" fourth year on the varsity and also his most successful one. He has given his all to athletics and he reached his peak on this year's cage team.

Basketball Season

Canton opened its basketball season at Cuba by overcoming a very decisive advantage in the last period of the game. At the final gun the count was 12-7 in Canton's favor. . . . The Purple added numbers two and three to their list by defeating Elmwood and Glasford in a double header. The Little Giants were forced into an overtime with Elmwood but in the end they came out on top. . . . They had a fairly easy time with Glasford whom they took to the tune of 31-12. . . . The Cantonians lost their first game to "Pop" Dale's Streatorites. The local boys just couldn't quite make the grade with the tough Streator cagers. . . . The Plowboys inveigled Pekin out of a game on Friday, December 13. It was one of the fastest games the fans had seen for a long time and Friday 13 proved to be very much of a jinx for Pekin. . . . The Cantonians won a very close decision from Macomb. It took time to get started but they went places when they did. . . . The Holliday coached cagers were beaten by Central in a poor battle which lifted the jinx from the age-old custom of a Holliday coached team beating a Herke coached. Final count 45-28. . . . Decatur took a very slow game from Canton on January 2. The local lads just couldn't seem to get going. You can't win 'em all I guess. . . . The Mathismen were taken by the Purple to the tune of 21-12. It was due revenge for that football defeat. . . . Coach Holliday's former boys lost a close game to his new boys on January 12. It was a fast game full of action and thrills. Manual was tough but we were tougher. . . . Louie Becker's boys took a close decision from the

GERALD DRUMMOND—Jerry has shown himself to be very competent and reliable and was one of the best players on the squad. Good luck to you, Jerry. Here's hoping you continue your good work.

HARRY FULLER—Harry is another athlete who has had a very successful four years in athletics. He was a very valuable man and was always in there for all he was worth.

Little Giants on January 17. It was a whale of a game but Havana took us at 21-20. . . . Next Galesburg bowed down before the Little Giants. It was an exciting game but our boys came through on top. The Burgers had one swell team but ours was sweller. . . . Canton High won three games in four days by defeating the county seaters 23-19. The Dertinger tutored cagers showed up in good shape and plenty was expected of them the rest of the season. . . . The Plowboys went duck hunting on January 30 and took Havana at 30-22. Sheridan, the sparkplug of the Havana team, was plenty hot but not quite hot enough. . . . It seemed the Little Giants accomplished the unbelievable on February 7. They took the bulldogs of Streator into the pound and gave them a little gas. The gas almost backfired once, but they finally got them. . . . Pekin dedicated its new gym on February 11, by defeating the local cagers 22-17. 'Nuff said. . . . Canton made history on February 14, by defeating Mt. Pulaski. They gave them a great big Valentine which said, Canton 34, Mt. Pulaski 24. . . . The Dertinger coached outfit just couldn't quite make the grade on February 15. The Indians were fast but failed to get the points. Canton 21, Lewistown 18. . . . The Holliday tutored lads continued their winning streak by defeating Macomb, 26-24. It was close, but we got it. . . . Vandy starred in helping the local lads in beating Galesburg the second time. The final count was 16-13. Beating Galesburg twice in one season is a pretty good record for any team. . . . The Purple were easy victims of Farmington's onslaught on February 25. They took us at 33-18. Farmington always is a tough team for Canton to beat. . . . Canton ended its season with a bang by taking Manual for the second time in one season. It was a thriller and the boys really deserved to win. Canton 24, Manual 14.

Tennis

The tennis team of Canton High had sort of a tough time of it in '35. There wasn't such a large number of boys to draw from so consequently the team wasn't quite up to par. The boys played some pretty tough games and did fairly well considering. Tennis hasn't been as popular as some of the other sports in Canton High. Let's get behind the team and show Coach Harold Johnson we're really with him. The schedule last year was as follows:

Canton	0	Bloomington	6
Canton	2	Manual	4
Canton	2	Pekin	4
Canton	2	Central	4
Canton	3	Spaulding	3

The letter men were:

M. Vandermeer
H. Shaw
R. Maguire
R. Jackson
R. Saurbaugh

Track

The 1935 track season turned out to be a pretty successful one for the fans. The boys participated in three meets: the County at Fairview, the District at Macomb, and the Senior-Junior at Canton. The only boy who placed for Canton at the districts was Kovich. He placed third in the 880-yard run. The fellows were up against some very stiff competition, though, so that could be expected. The boys took third place at the County meet with 31½ points being topped by Farmington with 86 and Table Grove with 38. The Seniors beat the Juniors in an intra-scholastic meet by a score of 85½ to 48½. There are seven letter men back again in '36 and a lot can be expected from them. The letter men for the '35 season were:

R. Hicks
J. Evans
A. Sporer
G. Hinkle
H. Fuller
M. Sepich
J. Kovich
G. Kovich
D. Vance
G. Drummond
C. Hand

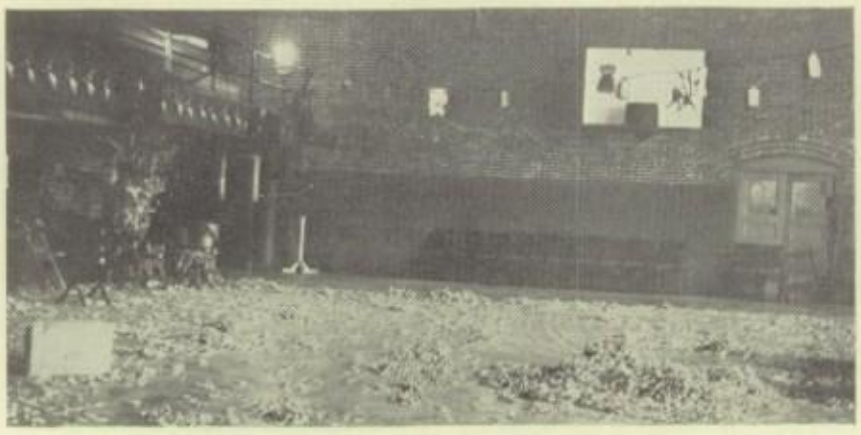
Junior-Senior Prom

Only delighted words tumbling over each other can describe one's first prom and it would seem that one could never forget it. A slight air of formality is created by the grand march, the dainty dance dresses in attractive shades, lovely corsages, and the male contingent in immaculate spring suits. The thrill and excitement is reflected in sparkling eyes, and the Juniors feel content that they are giving the Seniors a truly complimentary departure.

The west side of the Alice Ingersoll gymnasium, over-hung with fringed festoons of twisted green and white crepe paper in canopy effect, and a rainbow color scheme carried out as a background for the orchestra, furnished a picturesque setting for the Junior-Senior prom of the year 1934-35.

At 8:30 on May 3rd, Red Deame's orchestra of Peoria broke into the latest dance hits as the grand march, led by Ruby Hagbom and Chester Baylor, president of the Junior class, and followed by Louise Deutch and the Senior president, Jimmy Morgan, swept gracefully down the floor. Bridge tables were set up for those not caring to dance, and light refreshments were served at attractively appointed tables encircled by a white picket fence.

An entertaining program, multi-colored balloons, and gay confetti increased the evening's hilarity until 11:30 when "Home Sweet Home" ended the evening in a more thoughtful and sad an atmosphere than when it had begun.



Senior-Junior Party

A high-light of the year for the upper-classmen was the Senior-Junior Party on Friday evening, October 25. Cornstalks and Jack-O-Lanterns were the keynote to the clever disguise of the old gymnasium. Card tables and lamps lined the colorful dance floor.

The Royal Aces from Peoria supplied dance music throughout the evening. At the intermission, delicious cold cider was served, and a program consisting of tap and acrobatic dances by Pauline Anderson's pupils, and solos by Gerald Drummond was enjoyed by everyone. At the beginning of the last dance, the class advisers, Miss Cox and Mr. Felts, tossed rolls of pastel shaded serpentine from the balcony to the dancers who caught and sent them streaming through the air.

The committees responsible for the success of the party were: Decoration, Lowell Stumpf, Chairman, Wilma Jean Bauman, Russell Sprague, Ruby Archdale, Jean Clark; Entertainment, Robert Lockard, Chairman, Louise Deutch, Charlotte Lee Miller; Refreshments, Ruby Hagbom, Chairman, George Costas, Ruth Ortman.

Senior Boys' Burlesque

"Mose," a three-act college comedy, was presented in the Canton Little Theatre on November 12 and 13, 1935. The play was directed by Ethan Allen Snively.

The story is centered about the robbery of a fraternity brother's money, a football hero and his escapade in romance. The whole cast is deserving of much credit for its fine work in the presentation.

Junior Class Play

"The Queen's Husband", a scintillating three-act comedy, was presented by the Junior class on Thursday, February 6, at the Garden Theater. This play, directed by Mr. Snively, kept the audience chuckling from the opening scene to the final drawing of the curtains, and was an unusually fine production. The instigator of this amusement was poor King Eric VIII who could have as appropriately been called King Ear Ache VIII because of the constant shouting heralded into his ears by Queen Martha. Queen Martha, a dynamic personality, felt that her King was entirely too lax in his ruling ways. If she had known his main interest and pastime was a good game of checkers with Phipps she would, we are positive, have committed suicide or taken some other such drastic step. And besides the King, there was Princess Anne who was creating so much trouble by letting her heart go out to Frederick Granton instead of Prince William, the Queen's choice.

This was the first Junior class play given in Canton High School and we congratulate the juniors for their initiative.

Operetta

"Jerry of Jericho Road" was presented on December 5, 1935. The unusual success of the two-act operetta convinced everyone of the ability of both Miss Wilson, the director, and the cast. It was very unfortunate that Jerry Drummond was unable to take his part in the play, but Bill Graham took the lead and everything went well.

The story briefly:—A wealthy Eastern man is in love with the daughter of a scheming woman. The mother's shamelessness forces the man to go West. The mother follows with her husband and daughter. The trio settle on a ranch owned by a cousin of the girl. The ranch is valuable because of the presence of oil. A friend of the Easterner is trying to buy the ranch honestly; another firm is negotiating dishonestly. For a time it looks as though the unscrupulous firm might win. In the end, however, the Easterner's friend buys the property and also becomes engaged to the young owner. The Easterner disregards the conduct of the grasping mother and all is well between that couple also.

What the Success of *Your Annual* is Dependent Upon

The effectiveness of any Annual or Year Book is in direct ratio to the resourcefulness and ability of the Staff and Editor.

Any budget may produce a *quality* Annual, if carefully planned in co-operation with qualified craftsmen, whose consultation should be sought at the very inception of the book. Through their years of valuable experience and wealth of sound ideas you may start the proper foundation for your book building.

An experienced Annual printer will not attempt to tell you what you want but will gladly co-operate in putting your ideas in the best form, offering suggestions if invited.

We endeavor to maintain the closest relationship possible with the Editor and the Staff, therefore obtaining the highest quality, conforming to the budget available.

Now that you have skimmed through the book we want you to say all kinds of things about it. Please try to forget all the beautiful things you expected, and lay it away among your souvenirs. But, we hope that you will bring it to light and look at it once in a while this summer. Perhaps you'll rummage around on the shelf a few years hence and take a peep at your picture and at someone else's, too. That is the purpose of our book.

Many people have helped in the making of this annual. We must mention the thoughtful ones who have been asking ever since last September, "How is the CANTONIAN coming?" They have reminded us of our duty and of an expectant public. Our thanks to the people who have contributed snapshots and choice bits of humor, whether knowingly or not. We are greatly indebted to our artist, Lowell Stumpf, who has so willingly contributed the drawings. Cheers for the heroic ones who, martyr-like, suffered the agonies of having their pictures taken.

We are sorry that we have had to close our labors. We have greatly enjoyed assembling this book for you, and we hope our efforts have not been in vain.
